

Great Plains Leadership Training for Christ (LTC)

1. **What is it?** Leadership Training for Christ is an organization designed to **stimulate** and **encourage** spiritual, mental, and social growth among young men and women in grades 3-12. Its mission is to achieve this growth by developing skills in **leadership, Bible knowledge, and Christian servanthood**. Participants will learn to live the servant leadership lifestyle. Skill development in each of these areas will be accomplished through participation in a variety of individual and group events. These events will take place within the context of a wholesome and supportive environment designed for the purpose of **fostering enthusiasm** and high **achievement** among the participants. The focus for the year is 1 book of the Bible, (**Matthew**) and there is a main theme. (**Kingdom Come**)
2. **When and where is LTC?** LTC has events divided into 3 categories that are turned in at different times. A participant can choose which events they are interested in. There is also an in-person convention held in Rogers, Arkansas on Friday night and all day Saturday of Easter weekend where congregations meet and several of the events take place. To prepare for these events, meeting times will be scheduled here to encourage participation. Bible study during classes, worship and devotionals will also be offered. Some/many of the events can be done in the home.
3. **How do I know what events to participate in?** Only your family can make the choice, but many of the LTC events are just a documentation of things you should and probably are already doing! The other events encourage creativity and learning about the Bible in a fun and useful way to develop skills that our children need to continue the faith for the future in the Lord's church. Just let the LTC coordinator know that you have an intent to participate, no matter how big or small. It does not matter how many events you participate in. We know the list is overwhelming, but LTC will encourage learning the Bible, in a way like no other. Believe it or not, **YOU** will learn God's Word as well!
