In just about every business or organization in the world, tribute is usually paid to the founder. This week I was doing some reading about Amazon founder Jeff Bezos. Fired up in Jeff Bezos' garage in 1994, [Amazon.com](http://Amazon.com) was driven by what Bezos describes as his "regret minimization framework," designed to reduce the regret he might otherwise have felt for not participating in the lucrative Internet business boom. When trying to decide whether to quit his stable job to create his online bookstore, Bezos remembers, "If I failed I wouldn't regret that, but I knew the one thing I might regret is not ever having tried. I knew that that would haunt me every day, and so . . . it was an incredibly easy decision."

In the first two months, Amazon sold to all 50 states and more than 45 countries, averaging \$20,000 per week. Today, it is the largest online retailer in the world.

As the Lord's Church, we too have a founder who has no regrets. Jesus willingly died on the cross and is head of the body, which is the church. Ephesians 2:19-22 says:

<sup>19</sup> Consequently, you are no longer foreigners and strangers, but fellow citizens with God's people and also members of his household, <sup>20</sup> built on the foundation of the apostles and prophets, with Christ Jesus himself as the chief cornerstone. <sup>21</sup> In him the whole building is joined together and rises to become a holy temple in the Lord. <sup>22</sup> And in him you too are being built together to become a dwelling in which God lives by his Spirit.

Peter says this about Jesus' blood in I Peter 1:18-19:

<sup>8</sup> For you know that it was not with perishable things such as silver or gold that you were redeemed from the empty way of life handed down to you from your ancestors, <sup>19</sup> but with the precious blood of Christ, a lamb without blemish or defect. <sup>20</sup> He was chosen before the creation of the world, but was revealed in these last times for your sake.

I'm so thankful for Jesus and His sacrifice, aren't you? Our salvation and the church are so important to our lives ... where would you and I be without them? Bezos and Amazon is one great financial success story of the last 20 years, but I'm thankful to be tied to the greatest success story of all time, and if you are a Christian you should be too. ~Jeff
