- ✓ If we have too many in one age group, we will shift to make classes as even as possible.
- ✓ Teachers/helpers – please rotate with your students to assist with game, snack, craft, TC, lunch
- ✓ Yes, I know there is only 4 days of VBS but 5 lessons – try to get all 5 in, if possible. If you can combine, do so with lessons 3&4.
- ✓ If you are not a teacher/helper, see if you can assist in a classroom (depends on how many kids we have)
- ✓ Start decorating and setting up your classrooms anytime. If you need additional supplies, either look in workroom, ask Chandra to pick up for you or if you get it yourself, save your receipts and give to Danny Hardcastle for reimbursement.
- ✓ Each child will have a take-home bag for you to put items into each day. Keep these in your classrooms until Friday.
- ✓ At the end of each day and the beginning of the next, we will put a different “criminal” in the jail at the front of the auditorium. I need some of you to dress up like these each day. All other teachers/helpers – dress like a secret agent/FBI/CSI agent
